

ARBELLA 10th INTERNATIONAL PHOTOGRAPHY COMPETITION

1. PURPOSE OF THE COMPETITION

At **Arbella Pasta**, social responsibility and artistic projects are a key component to our corporate identity. Each year, we create a platform that brings together photographers from across Turkey and around the world. This year marks the 10th anniversary of Arbella hosting this competition, and to celebrate this milestone, we are proud to announce the addition of a special category: “**The Passion of Pasta**”.

Pasta is the most popular food in the world, and one of the most versatile: both universal and local, pasta adds flavor to the lives of billions of people of all ages and incomes. It is a healthy and nutritious product-one that’s even entertaining! We look forward to seeing the wonderful works you create that capture the Passion of Pasta, mixing them with your passion for photography.

Also this year, we celebrate our tenth anniversary with a special “**Celebrations and Festivals**” category.
